Re: Reopening of school from September for Year 10

Dear Parents/Carers

I would like to take this opportunity to thank you for all the support you have offered the Academy over the last six months. Although the pandemic has been difficult for all of us, I feel it has allowed us to reach out to our families and build stronger networks which can only benefit the young people we serve as an Academy.

When schools first closed to all but children of key workers in March, we were all facing massive challenges and uncertainties. As we passed the peak of the virus and schools began to welcome back more students in June, we know there was apprehension among some parents and carers about the return to school for students. We would like to thank all parents and carers that have supported us in getting students back into education. I know we are in a strong position to welcome all children back to the Academy from September.

I am writing to you to give you some updated guidance on your son \ daughter returning in September. As you would expect there has been a number of changes which we have made due to government guidance and ensuring that we are a COVID secure school.

I would like to confirm again that our originally published back to school dates in September have been modified to support the safe return of all our students, and to ensure all young people are able to have a walk-through of the changes in a safe and meaningful way before the whole school population returns together. Please see below conformation of these amended dates and times for each year group.

September 2020 revised start dates due to COVID-19 impact: *(Highlighted sections for year 10 only)*

Week commencing 24th – 28th August – Year 6 summer school

03 September 2020 – Inset Day 1 – no students in school

04 September 2020 – Inset Day 2 – no students in school

07 September 2020 – Year 7 only in school

08 September 2020 – Year 7 & Year 11 only in school

09 Wed September 2020 – Year 8 only in school

10 Thurs September 2020 – Year 9 only in school

11 Fri September 2020 – Year 10 only in school

Monday 14th September

Whole school returns in full with all students (staggered start times as per attached diagram)

As you will see I highlight in all my communications, the safety and wellbeing of all our young people, staff and visitors into the Academy is key, the steps we have taken from the government guidance will ensure that we minimise transmission as much as possible whilst allowing us to use common sense and flexibility to make this work at City Academy Norwich. Therefore, from September attendance will be compulsory for all young people from their given start date above. Times for arrival on each day and for each year group are below.

The following diagram over the page outlines how each young person will arrive each day to school from the start of September and gives details on a number of other areas for next term.

School timetable overview – September 2020

Start of the day:

Year group	8:20-8:30	8:30-8:40	8:40-8:50	8:50-9:00	9:00-9:10
Year 10				Arrive	Tutor time

Changes to the Academy day from September:

As you can see from the above we are asking all students to arrive to school in the mornings in a staggered way. Year 10 (*as above*), followed by year 11 and then years 7 & 8 & 9 before. Year 10 & 11 will make up any lost learning time towards the end of the Academy day which is outlined in the full day break down diagrams below.

To achieve and meet with all of the government guidance we will not be offering a breakfast club onsite until further notice. No student will be able to arrive any early to school than their allocated time. It is very important that all students arrive when we have asked to avoid having to que or wait to come into the Academy, as we are not permitted to mix year groups for any length of time.

As a consequence of the current guidance, the Academy will not be providing hot food on site until further notice. If your child receives free school meals they will be provided with a packed lunch bag daily which will consist of a drink, sandwich, fruit and biscuit or cake. All families who are not in receipt of free school meals should arrange for the child to bring their own packed lunch to school daily.

We understand that these changes to the Academy day may cause some complications for families. However, we ask you to understand that we are committed to providing education around the new COVID Secure guidance which has affected our normal working provision.

The main school day will also look different for all students please see below the break downs of Mon-Fri. Monday and Thursday still retain a slightly different day and our overall Academy finish time is different for each year group to allow for a staggered exit.

Uniform from September

Wearing the Academy uniform is an important part of being a City Academy Norwich student. Not only does it improve learning by reducing distraction and sharpening focus to school work, it also ensures that students don't have to worry about peer pressure when it comes to their clothes. From September the Academy will be resuming our full expectations for uniform. Please see the Academy website for details:

Getting ready for September

Coronavirus hasn't gone away, a second peak of COVID-19 has not been ruled out, and the Prime Minister and his team have outlined the next steps to maintain our safety nationally. We will remain responsive to local rises and be prepared for a temporary closure if requested by the county council to ensure we avoid another national shutdown again. I personally look forward to returning and seeing all our young people in September and can equally say my team is eager to see everyone in September as well.

In these unknown times I would like to offer a few last thoughts before we move into the next phased of welcoming everyone back to school. **'The best way to predict the future is to create it.'** *Dennis Gabour*

Life will not entirely be back to normal in September and we will have to make some operational changes at the Academy to ensure the safety of all, but the pride in our community, positive mind-set and passion for high expectations and education for every child, same chance; will remain unchanged.

I wish you a happy, safe and restful rest of your summer and I look forward to seeing our students return in September on the 11th at 8:50am for year 10.

Yours sincerely,

Mr P Collin
