Dear Parent/Carer

We have received an important letter produced by Public Health England, which is attached. The Department of Education has asked us to share and circulate this amongst parents/carers so all educational settings are sending the same consistent information regarding Coronavirus testing. The letter explains when children require a test and what the signs and symptoms are of Coronavirus. The intention of this letter is to help answer any questions parents/carers may have about testing measures. If you have any questions or queries regarding this matter, please do not hesitate to contact us.

Yours sincerely

Mr Paul Collin  
Headteacher
