UNIVERSITY OF CITY ACADEMY NORWICH

Dear Parent/Carer

I am excited to write to you regarding our UCAN provision this term. UCAN is compulsory for all Year 7 and 8 students, and our expectation is that they will complete an hour of UCAN home learning every Thursday.

How this will look?

When your child is home from school on a Thursday they can access UCAN Game Changer on our website, under the Student Access tab, where they will find online challenges, and weekly department challenges to complete.

Once they have completed their hour of challenges they need to log it in their form group on google classrooms – the tab for this is on the UCAN Game Changer home page.

We'd love to see the amazing work your child produces for UCAN Game Changer, and have a UCAN Heroes page to display students work; if they would like to share their work, they can email their photos and videos to: gamechanger@cityacademynorwich.org Your child could be chosen as a UCAN Hero for which they will receive 10 House Points!

Please note: by emailing their work to gamechanger@cityacademynorwich.org or uploading via google classrooms, students are giving permission for their work to be shared on our social media platforms.

We are hoping to return to in-school UCAN from in Term 2 (starting on Thursday 5th November). This is from 2.30pm-3.30pm, and will be compulsory for Years 7 and 8. You can see images of UCAN activities we have done previously on our website, in the Parent/Student section under UCAN & Extra-curricular Activities.

Yours sincerely

C. Taylor
