

CAREERS NEWSLETTER

Welcome to the 2nd Careers @CAN Newsletter.

The aim of this newsletter is to keep students, parents and carers updated on events, information and opportunities related to careers.

Term 5 : Form Time Careers Focus

Yr 7 - Developing interpersonal skills

Students will take part in a variety of activities that aim to improve their self confidence ,self esteem and resilience .

Yr 8 - Developing communication and interpersonal skills

Students will take part in a variety of activities that aim to develop their collaborative working skills.

Yr 9 - Developing communication and interpersonal skills

Students will take part in a variety of activities that aim to develop self awareness , resilience and collaborative working skills.

Yr 10 - Creating a CV / My future plans

Students will create a CV and begin to develop individual action plans .

Yr 11 - Financial Literacy programme

Students will develop their financial literacy so they know:

- What to do with their money once they make it,
- How they can keep it longer,
- And how they can make that money work hard for them so that they have greater freedom in the future to pursue their goals in life.

VIRTUAL WORK EXPERIENCE OPPORTUNITES YR 10 AND 11

We know our students are keen to gain valuable experience of the world of work. There are a number of virtual opportunities for students to access across a wide variety of sectors .

These are available on Virtual Work Experience and Inspirational Work Encounters
